CLEAN, SIMPLE, AND HEALTHY OPTIONS FOR YOUR FAMILY

BATHING GEL

8.5 pH Bathing Gel – Gentle & Soothing Cleanser

This is a 100% alkaline formula, free from lead and arsenic, with a pH of 8.5. It supports your skin's natural cleansing process and helps maintain a healthy balance. Made from potato and rice starch, this gel gently cleans your skin, keeping it soft, comfortable, and moisturized. It is suitable for sensitive or easily irritated skin and strengthens the skin's natural protective layer.

How to Use: Apply a small amount of gel to wet skin or a washcloth, gently massage, and rinse thoroughly with clean water.

FACE CLEANSER (FACE WASH)

8.5 pH Face Cleanser (Face Wash) – Gentle & Soothing

The 8.5 pH Face Cleanser is a 100% alkaline face wash, free from lead and arsenic. It contains natural ingredients like potato and rice starch that gently clean your skin, leaving it fresh and clear. It helps maintain your skin's natural glow and is safe for everyday use.

How to Use: Apply a small amount to a wet face. Gently massage in circular motions and rinse thoroughly with water. Can be used both in the morning and evening.

DRY FACE WASH

8.5 pH Dry Face Wash – Cleans Your Face Without Water

This 8.5 pH Dry Face Wash has a 100% alkaline formula. It contains natural ingredients like grape seed oil, neem, and plant-based glycerin. It gently cleans your skin, removes excess oil, nourishes, and leaves your face fresh and clear.

How to Use: Apply a small amount to dry skin. Gently massage for about 2 minutes, then wipe off with a cotton pad or clean cloth.

SEARCH

HAIR OIL

8.5 pH Hair Oil – Strengthens and Nourishes Hair

This 8.5 pH Hair Oil is 100% alkaline and free from lead and arsenic. It contains natural oils like neem, rosemary, castor, coconut, argan, jojoba, and rice oil. It helps hair grow, strengthens it from the roots, and keeps your scalp healthy.

How to Use: Apply the oil to your scalp and gently massage for 5–10 minutes. Leave it on for at least 1 hour or overnight before washing. For best results, use 2–3 times a week.

HAIR WASH (SHAMPOO)

8.5 pH Hair Wash – Cleans and Adds Shine

This 8.5 pH Hair Wash is 100% alkaline and free from lead and arsenic. It gently cleans your hair and scalp. Made with potato and rice starch, its formula helps keep hair strong, shiny, and healthy.

How to Use: Apply the required amount to wet hair, gently massage, and rinse thoroughly with clean water.

HAIR HYDRATING TREATMENT (CONDITIONER)

8.5 pH Hair Hydrating Treatment (Conditioner) Deeply Nourishes Hair

This conditioner is made with elephant yam (jimikand), starch, and plant-based glycerin. It nourishes your hair deeply and helps maintain its natural pH balance. Leaves hair soft, smooth, and easy to manage.

How to Use: After shampooing, apply the conditioner to your hair. Leave it on for 2–5 minutes, then rinse thoroughly with clean water.

SEARCH

HAIR SERUM

8.5 pH Hair Serum – Softens and Adds Shine

This 8.5 pH Hair Serum is made with plant-based oils. It makes hair soft and shiny, reduces frizz and tangles, and gives a smooth finish.

How to Use: Apply a few drops to wet or dry hair and spread gently. No need to rinse.

8.5 RE SEARCH

Hydrating Gel, Walnut Scrub, Whitening Cream, Facial Moisturizer, De-Tan Cream

FACIAL KIT

- **Hydrating Gel:** Provides moisture to your skin without feeling heavy. It is lightweight, absorbs quickly, and doesn't leave stickiness. Keeps skin cool and comfortable, making it ideal for oily and combination skin.
- **Walnut Scrub:** Gently removes dead skin cells, dirt, and excess oil. Helps clean pores and leaves skin smooth, clear, and glowing.
- **Whitening Cream:** Designed to brighten skin and even out skin tone. Helps reduce dark spots and pigmentation, making your skin look fresh and radiant.
- **Facial Ubtan (Herbal Scrub & Cleanser):** A traditional Ayurvedic cleanser and scrub. Deeply cleanses the skin, helps remove tan, and gives a natural, youthful glow.
- **De-Tan Cream:** Helps reduce tanning and pigmentation caused by sun exposure. Restores the skin's natural tone and evens out complexion.

BATHING CAKE (SOAP)

8.5 pH Bathing Cake (Soap)

This 8.5 pH Bathing Cake is 100% alkaline and free from lead and arsenic. It gently and safely cleanses your skin. Made with natural ingredients like plant oils, glycerin, neem, aloe vera, and lemon charcoal, it nourishes your skin and helps protect it from dust, pollution, and harmful chemicals. Suitable even for sensitive skin.

How to Use: Wet your body with water, apply the soap to cleanse thoroughly, and rinse off with clean water. Pat dry with a towel.

8.5 pH PURE SEARCH

BODY SPRAY

8.5 pH Body Spray – Gentle & Safe for Skin

This 8.5 pH Body Spray is 100% alkaline and free from lead, arsenic, and other harmful chemicals. Made with a natural water/amrit-based formula, it offers multiple benefits for your skin. Alcohol- and gas-free, it won't dry or irritate your skin. Non-flammable and free from artificial fragrances, it is safe even for sensitive skin. The spray leaves your skin feeling light, comfortable, and naturally refreshed, while prioritizing skin health.

How to Use: Cover your clothes and spray 2–3 times on underarms and body.

SKIN SOOTHENER

8.5 pH Skin Soother– Soothes and Nourishes Skin

This plant-based 8.5 pH Skin Softener deeply moisturizes the skin and soothes irritation. It contains rice oil, plant-based glycerin, and grape seed oil to nourish and soften the skin. Neem extract helps purify the skin and strengthens its natural protective layer. It is 100% alkaline, free from lead and arsenic, and safe for all skin types.

How to Use: Apply to affected areas of the body, such as mild irritation, cuts, or wounds, as needed.

MOISTURIZING LOTION

8.5 pH Moisturizing Lotion – Deeply Hydrates and Balances Skin

This lotion is specially formulated with a moisturizing blend and a pH of 8.5. It deeply hydrates the skin and contains nourishing ingredients like rice oil, rapeseed oil, and plant-based glycerin. It is 100% alkaline and free from lead and arsenic. It soothes the skin while helping maintain its natural glow and balance.

How to Use: Apply a small amount to your skin and gently massage until fully absorbed.

NATURAL INCENSE STICKS

PURE, LONG-LASTING, AND SATTVIC FRAGRANCE

DIVINE STICKS (INCENSE STICKS)

8.5 pH Divine Sticks (Incense Sticks)

These incense sticks are 100% alkaline and completely free from lead, arsenic, DEP (diethyl phthalate), and other harmful petrochemicals. Made from cedarwood, they are coated with a special flour layer that reduces irritating substances and toxic residues. This makes them a safer option for people with asthma and helps keep indoor air cleaner, while providing a pure and calming fragrance for your home.

NATURAL AIR FRESHENER

PURE FRAGRANCE FOR YOUR HOME

AIR FRESHENER

8.5 pH Air Freshener – Safe & Natural

This 8.5 pH Air Freshener is 100% alkaline and completely free from lead and arsenic. It contains no harmful chemicals, helping to keep your home clean and fresh. Alcohol-free, gas-free, and free from artificial fragrances, it reduces volatile organic compounds (VOCs) and helps lower the risk of respiratory irritation, allergies, and chemical exposure. A safe and healthy choice for creating a pleasant environment in your home.

NATURAL BABY CARE PRODUCTS

NATURAL, PURE, AND GENTLE

BABY SHAMPOO

8.5 pH Baby Shampoo – Gentle and Safe

This 8.5 pH Baby Shampoo is 100% alkaline and completely free from lead and arsenic (0.0 PPM). Its gentle formula is safe for your baby's delicate skin and scalp. Made with a special blend of potato starch, natural oils, and fruit extracts, it gently cleans hair while nourishing it. Helps reduce irritation and redness, and supports healthy hair and scalp development. Carefully crafted with purity and natural ingredients, this shampoo is perfect for complete baby care.

SEARCH

BABY WASH

8.5 pH Baby Wash – Gentle & Safe for Your Baby

This 8.5 pH Baby Wash is 100% alkaline and completely free from lead and arsenic, providing safe and essential care for your baby's delicate skin.

Its alkaline formula helps maintain the natural pH balance of your baby's skin, while the absence of heavy metals like lead and arsenic ensures extra safety.

Made with natural ingredients like potato starch, aloe vera, and fruit extracts, it gently cleanses and nourishes the skin, offering safe and irritation-free care. A gentle and safe choice for your baby's soft and delicate skin.

8.5 RE
SEARCH

BABY OIL

8.5 pH Baby Oil – Gentle & Nourishing

This 8.5 pH Baby Oil is 100% alkaline and completely free from lead and arsenic. Its research-based formula is gentle and safe for your baby's delicate skin.

Enriched with rice bran oil, olive oil, and jojoba oil, it deeply nourishes and moisturizes the skin, keeping it soft and comfortable. The oil forms a light, non-sticky protective layer on the skin, helping prevent dryness.

A safe and gentle choice for caring for your baby's soft and delicate skin.

BABY BOTTOM WASH

8.5 pH Baby Bottom Wash – Gentle & Safe

This 8.5 pH Baby Bottom Wash is 100% alkaline and free from lead and arsenic, making it safe for your baby's delicate skin. Its non-acidic formula helps reduce the risk of irritation. Research-based and gentle, it cleans the skin softly while maintaining its natural balance. Ingredients like aloe vera and fruit extracts soothe and nourish the skin, providing safe, toxin-free, and effective care.

How to Use: Apply the required amount to your baby's diaper area and gently clean.

CAR CARE PRODUCTS

PREMIUM CAR CARE FOR PREMIUM CARS

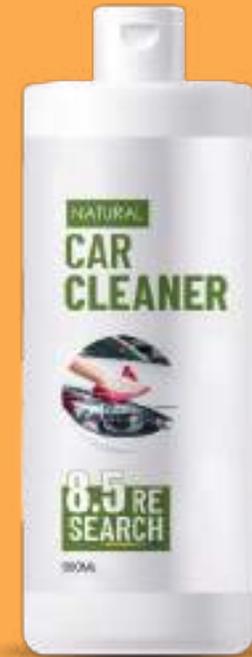

CAR CLEANER

8.5 pH Car Cleaner – Safe & Effective

This 8.5 pH Car Cleaner is 100% alkaline and free from lead and arsenic, made with potato and rice starch for safe and effective cleaning. Its alkaline power helps remove stubborn dirt easily, while the heavy-metal-free formula ensures extra safety.

Made from natural starch, this eco-friendly and non-toxic cleaner cleans your car without damaging paint or surfaces, while also being kind to the environment.

CAR STAIN REMOVER

8.5 pH Car Stain Remover – Safe & Effective

This 8.5 pH Car Stain Remover is 100% alkaline and specially designed for safe and effective cleaning of your vehicle. Its high pH formula contains plant-based sodium bicarbonate and vinegar, which help remove grease, road dust, oil, and other stubborn stains.

Completely free from lead and arsenic, it ensures purity and safety. Being free from harmful heavy metals, it cleans your car without damaging the surface and is also a better choice for the environment.

CAR SHINER

8.5 pH Car Shiner – Safe & Eco-Friendly Shine

This 8.5 pH Car Shiner is 100% alkaline and free from lead and arsenic, providing a non-toxic and eco-friendly shine. Made with rice oil and other plant-based oils, it gives your car's surface a deep, natural shine while leaving a light protective layer.

This research-based and innovative formula not only keeps your car looking polished but also prioritizes environmental responsibility.

CAR AIR FRESHENER

8.5 pH Car Air Freshener – Safe & Long-Lasting

This 8.5 pH Car Air Freshener is 100% alkaline and free from lead and arsenic, making it a non-toxic and safe choice. It helps create a healthy and safe environment inside your vehicle.

Made with rice oil, natural fragrances, and wood pulp, this air freshener is free from harmful alcohol and chemicals. It spreads a fresh, pleasant scent inside your car that is safe for skin and respiratory health, eco-friendly, and long-lasting.

CAR FRESHENER

8.5 pH Car Freshener – Safe & Long-Lasting

This 8.5 pH Car Freshener is 100% alkaline and free from lead and arsenic, making it non-toxic and safe. It helps maintain a healthy and safe environment inside your car. Free from alcohol, gas, and artificial fragrances, it ensures safe breathing for all passengers, reduces the risk of headaches, and protects from harmful chemicals. The research-based natural 8.5 formula effectively neutralizes bad odors and keeps your car fresh for a long time, all while being environmentally friendly.

HOME CARE PRODUCTS

PREMIUM HOME CARE FOR PREMIUM HOMES

TOILET DISINFECTANT GEL

8.5 pH Toilet Disinfectant Gel – Safe & Eco-Friendly

This 8.5 pH Toilet Disinfectant Gel is 100% alkaline and free from lead and arsenic. It contains no acids or harmful chemicals, making it safer for regular use.

Made with potato and rice starch, its gentle yet effective formula is eco-friendly, non-toxic, and 100% biodegradable. It helps keep your home clean and hygienic while protecting you from harsh cleaning chemicals.

DISH WASH

8.5 pH Dish Wash – Safe & Effective Cleaning

This 8.5 pH Dish Wash is 100% alkaline and free from lead and arsenic, making it a safe and durable choice for cleaning your dishes. Its non-toxic and acid-free formula is often based on potato and rice starch.

It helps protect metals like copper, brass, silver, and gold from rusting or tarnishing. With a 100% biodegradable formula, this dishwashing liquid gently cleans cookware and utensils, ensuring safe and effective cleaning for both users and the environment.

LAUNDRY CLEANER

8.5 pH Laundry Liquid – Safe, Gentle & Eco-Friendly

This unique 8.5 pH Laundry Liquid is 100% alkaline and free from lead and arsenic, designed with safety and the environment in mind. Developed using a research-based method, it contains no acids or harmful chemicals and is based on potato and rice starch. It contains no caustic soda or synthetic detergents, yet provides powerful, gentle, and non-toxic cleaning. It protects the skin, helps maintain the softness and quality of fabrics, and with its 100% biodegradable formula, ensures responsible and safe laundry care.

KITCHEN DEGREASER

8.5 pH Kitchen Degreaser – Safe & Powerful Cleaning

This 8.5 pH Kitchen Degreaser is 100% alkaline and free from lead and arsenic, designed with safety and sustainability in mind. Its potato and rice starch-based formula is acid-free and non-toxic, effectively cleaning kitchen utensils and surfaces.

With a 100% biodegradable formulation, it removes stubborn grease without leaving any harmful residues. It provides powerful yet safe cleaning, ensuring protection for both health and the environment.

FLOOR DISINFECTANT

8.5 pH Floor Disinfectant – Safe, Non-Toxic & Eco-Friendly

This 8.5 pH Floor Disinfectant is 100% alkaline and free from lead and arsenic, providing safe and non-toxic cleaning. Its non-acidic formula ensures safety for both floors and users. Based on ingredients from rapeseed powder and vinegar, it delivers effective cleaning without the risk of corrosive chemicals. Powerful yet gentle, it cleans thoroughly without damaging surfaces.

This research-based alkaline formula is 100% biodegradable, making it an eco-friendly and responsible cleaning solution.

BATHROOM DISINFECTANT GEL

8.5 pH Bathroom Disinfectant Gel – Safe, Eco-Friendly & Effective

This innovative Bathroom Disinfectant Gel is a safe and effective solution for maintaining bathroom hygiene. It is 100% alkaline and free from lead and arsenic.

Made with potato and rice starch, its formula ensures effective cleaning without any acids or harmful chemicals.

With a 100% biodegradable formulation, this cleaner provides non-toxic, eco-friendly, and safe cleaning for both users and the environment, helping maintain a clean and healthy bathroom.

BENEFITS OF THE PRODUCT/SUPPLEMENT:

Nutrients & Benefits:

Scientifically selected ingredients make this formula a powerhouse of essential nutrients, helping the body stay energized, healthy, and balanced for long-lasting vitality.

Stress Reduction & Energy Boost: Ingredients like Kachabij, Arugandha, Shilajit, and White Kusum help the body cope with stress, promote mental calmness, and maintain balanced energy levels throughout the day.

Multivitamin Support (Alfalfa, Noni, Moringa, Hardsas): These ingredients support digestion, strengthen the gut, and help cleanse the intestines. They also possess anti-inflammatory and antimicrobial properties, promoting overall health and well-being.

Digestive Support (Giloy, Kalmegh, Phala, Julusi): Rich in vitamins, minerals, and antioxidants, these herbs help fill nutritional gaps, enhance immunity, and boost energy naturally.

Easy to Use & Effective: This product is simple to incorporate into your daily routine and is designed to support both physical and mental wellness. It's an effective choice to improve fitness, energy levels, and overall body performance.

MEN'S GROOMING PRODUCTS

PURE & MODERN – FOR THE CONTEMPORARY MAN

SHAVING GEL

8.5 pH Shaving Gel – Gentle & Smooth

This premium shaving gel is crafted with rice and potato starch, Lonak, and plant-based esters to provide a mild, non-toxic, and irritation-free shaving experience.

With a 100% alkaline formula (pH 8.5) and 0.00% lead and arsenic, it ensures your skin stays comfortable, refreshed, and safe.

Its soft, lotion-like texture allows for a smooth, effortless shave while offering skin-friendly care, making it perfect for everyday grooming.

AFTER SHAVE

8.5 pH After Shave Lotion – Soothing & Hydrating

This premium after-shave lotion is crafted with plant-based esters and rapeseed oil to calm, moisturize, and reduce irritation after shaving.

pH 8.5 Alkaline Formula: Helps maintain the skin's natural pH balance while keeping it safe and protected post-shave.

Safe & Gentle: Free from lead and zinc, making it non-toxic, mild, and suitable for regular use.

Benefits: Instantly soothes and refreshes the skin, providing a cooling, comfortable sensation and enhancing the overall shaving experience.
